Wealth Management

PIA Wealth Management are a **truly Independent** financial advisory company established in 1987.

The keystone upon which PIA Wealth Management and its clients have prospered is Client Service, and they are now one of the most respected privately owned Independent Financial Advisers in the UK having grown to advise thousands of clients in all areas of their financial planning.

Their modern offices at the top of the Tettenhall Road in Chapel Ash, Wolverhampton are very accessible with a private car park plus specially designed facilities (Toilets/ Interview room) for the physically disabled.

A home visiting service is also offered if required both during and outside normal office hours.

If you are unsure who is the best person to assist you in the first instance please contact:
